Most Common Hall of Fame Birth States:

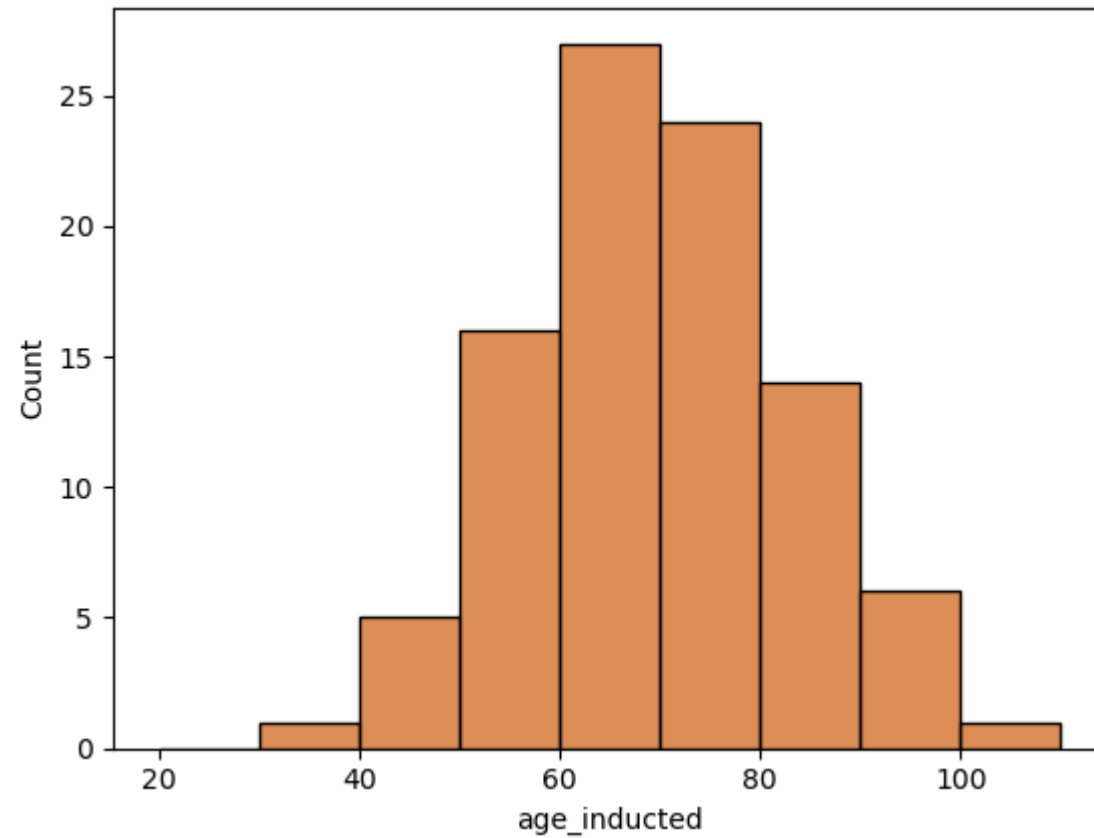

1. Texas: 24
2. Tennessee: 22

Hall of Fame Inductee Lifespans

Hall of Famers tend to live into their 80s or later.

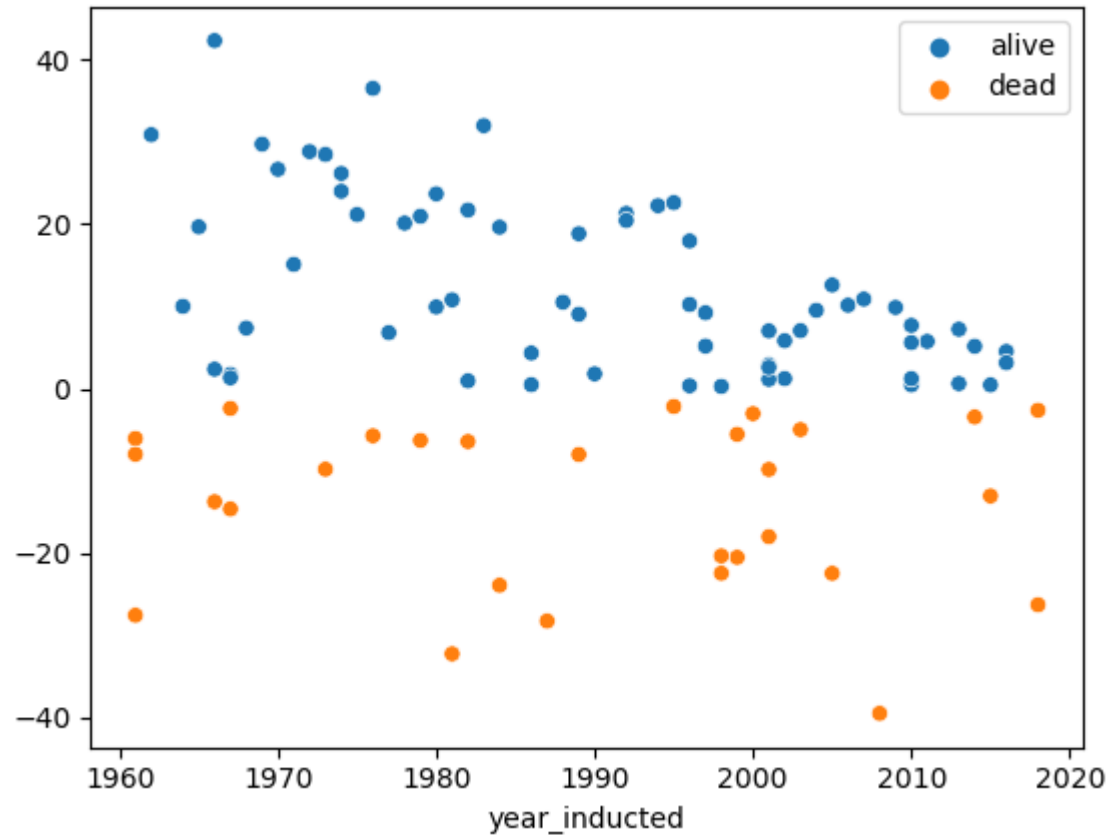

Hall of Fame Inductee Ages

Hall of Famers tend to
be inducted after 60.

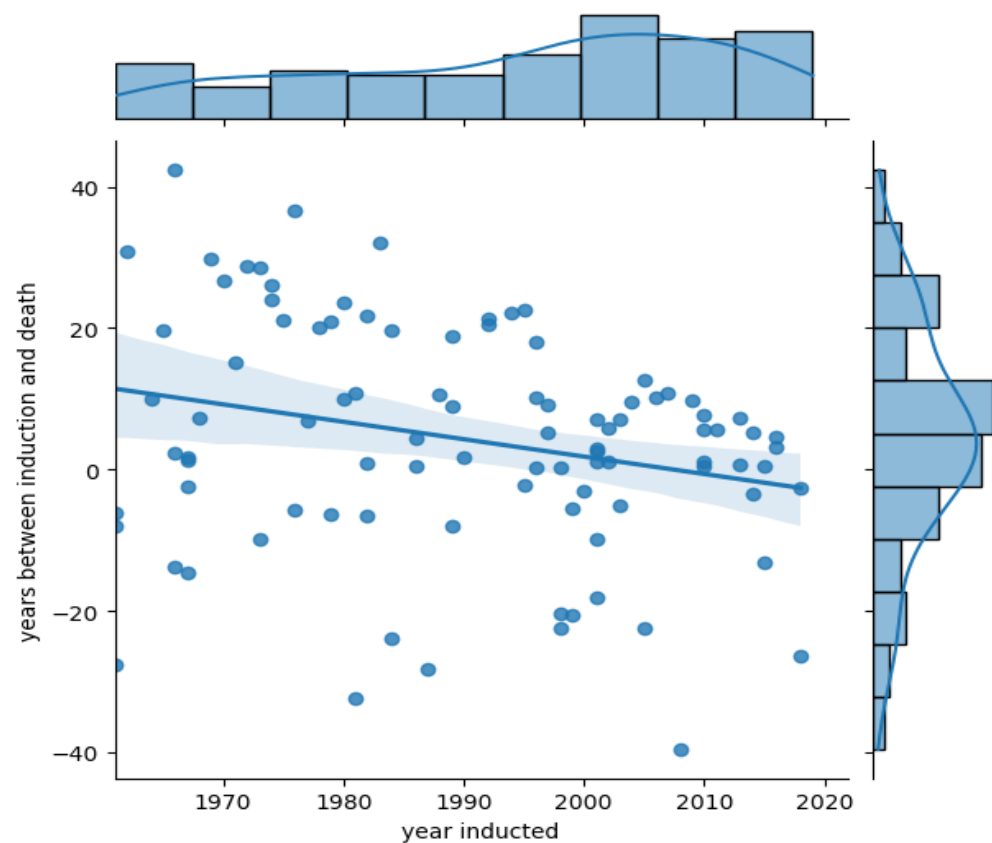

Country artists are being inducted into the Hall of Fame closer and closer to their death.

A change in philosophy, or a conspiracy?

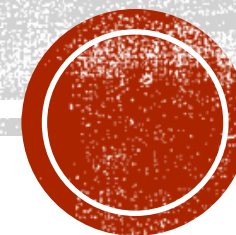

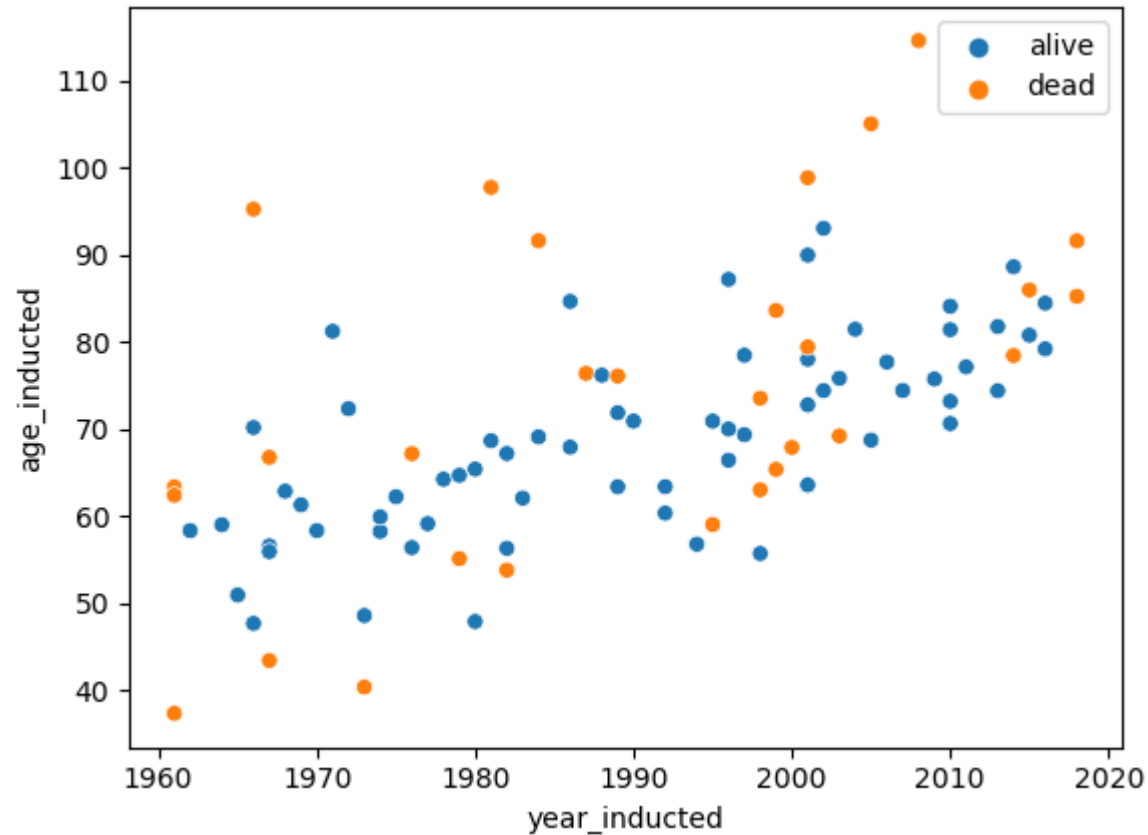

Country artists are
being inducted into the
Hall of Fame closer and
closer to their death.

A change in philosophy,
or a conspiracy?

(Similar chart: One
color and with a
regression line.)

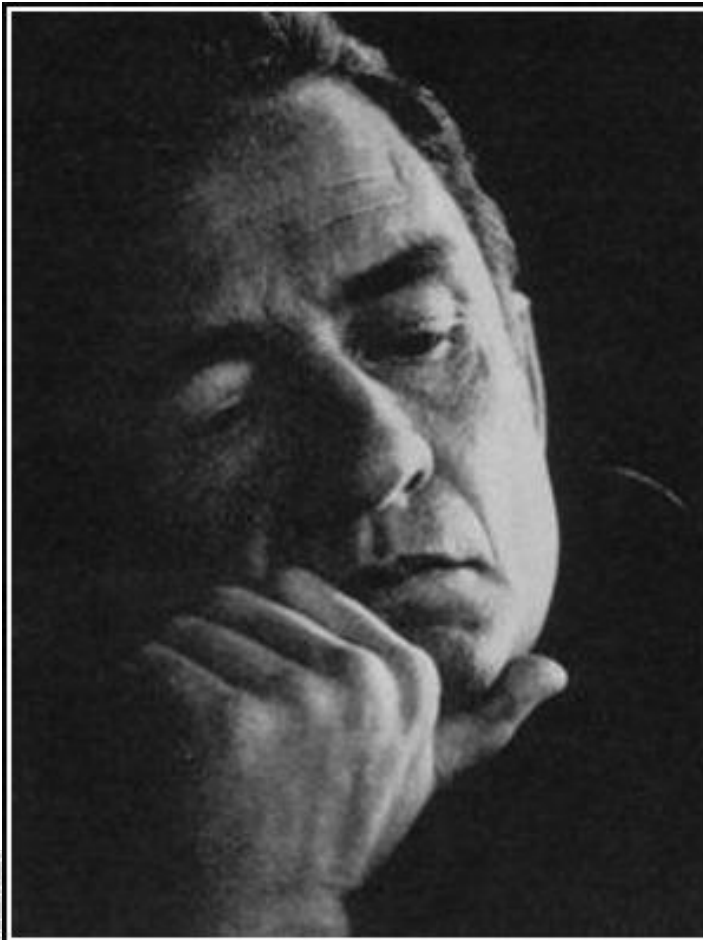

Perhaps not a
conspiracy. Living
inductees seem to be
getting older as time
goes on.

Must take more to prove
you deserve in.

It's all fleeting. As fame is fleeting,
so are all the trappings of fame
fleeting. The money, the clothes, the
furniture.
